Diplomacy
Dialogue

PCC is crucial for SDG implementation:

- 1. Clarify role of Ministries (who leads-supports)???**
- 2. improve credibility and competence of government in its dialogue with domestic and international stakeholders**
- 3. design and manage consistent inter-ministerial SDG policy cooperation based on policy coordination and consultation mechanisms**
- 4. ensure effective SDG implementation of SDGs at national level with adequate monitoring for constant SDG policy updating and fine-tuning**

Integrating SDGs into the Swiss Strategy of Sustainable Development

Diplomacy
Dialogue

Implementation of SDGs into Swiss Federal Policy

- 1992** UN Ministerial on Environment & Development, signing of Agenda 21
- 1993** Interdepartementall Taskforce on SD
- 1997** 1. Strategy SD
- 1999** Insertion of SD strategy into Swiss federal constitution
- 2002** 2. Strategy SD
- 2008** 3. Strategy SD
- 2012** UN summit on SD (Rio+20), resolution on SDGs
- 2012** 4. Strategy SD
- 2016** 5. Strategy SD

- **„Meta-Strategy“ from perspective of Federal Government**
- **Wholistic, not sectoral approach**
- **Integration of SD into all sector policies of federal government**
- **Policy coherence regarding SD**
- **Implementation of SD strategy by officers in charge of SD related policies at federal level and in close cooperation with cantonal (provincial) and municipal ieites and other stakeholders**

- **Stakeholder-Dialogue to generate basis for Swiss SD Strategy**
- **Vision (based on guidelines of Swiss SD policy and sector specific visions)**
- **Goals (based on visions and the SDGs, coordinated, time horizon 2030)**
- **Actions at level of Federal government (Strategies, programme, laws) time horizon 4 years**

Goals of Swiss SD 2016-2019

Diplomacy
Dialogue

- **Development of clear goal priorities in favour of Swiss SD**
- **Making contribution to the achievement of the SDGs at global level**
- **Ensuring most optimal orientation of the SD implementation (monitoring, reporting)**
- **Making indicators more measurable of SD**
- **Focus of action plan on those goals where improvement is most needed.**
- **Orientation support for institutions external to federal government**

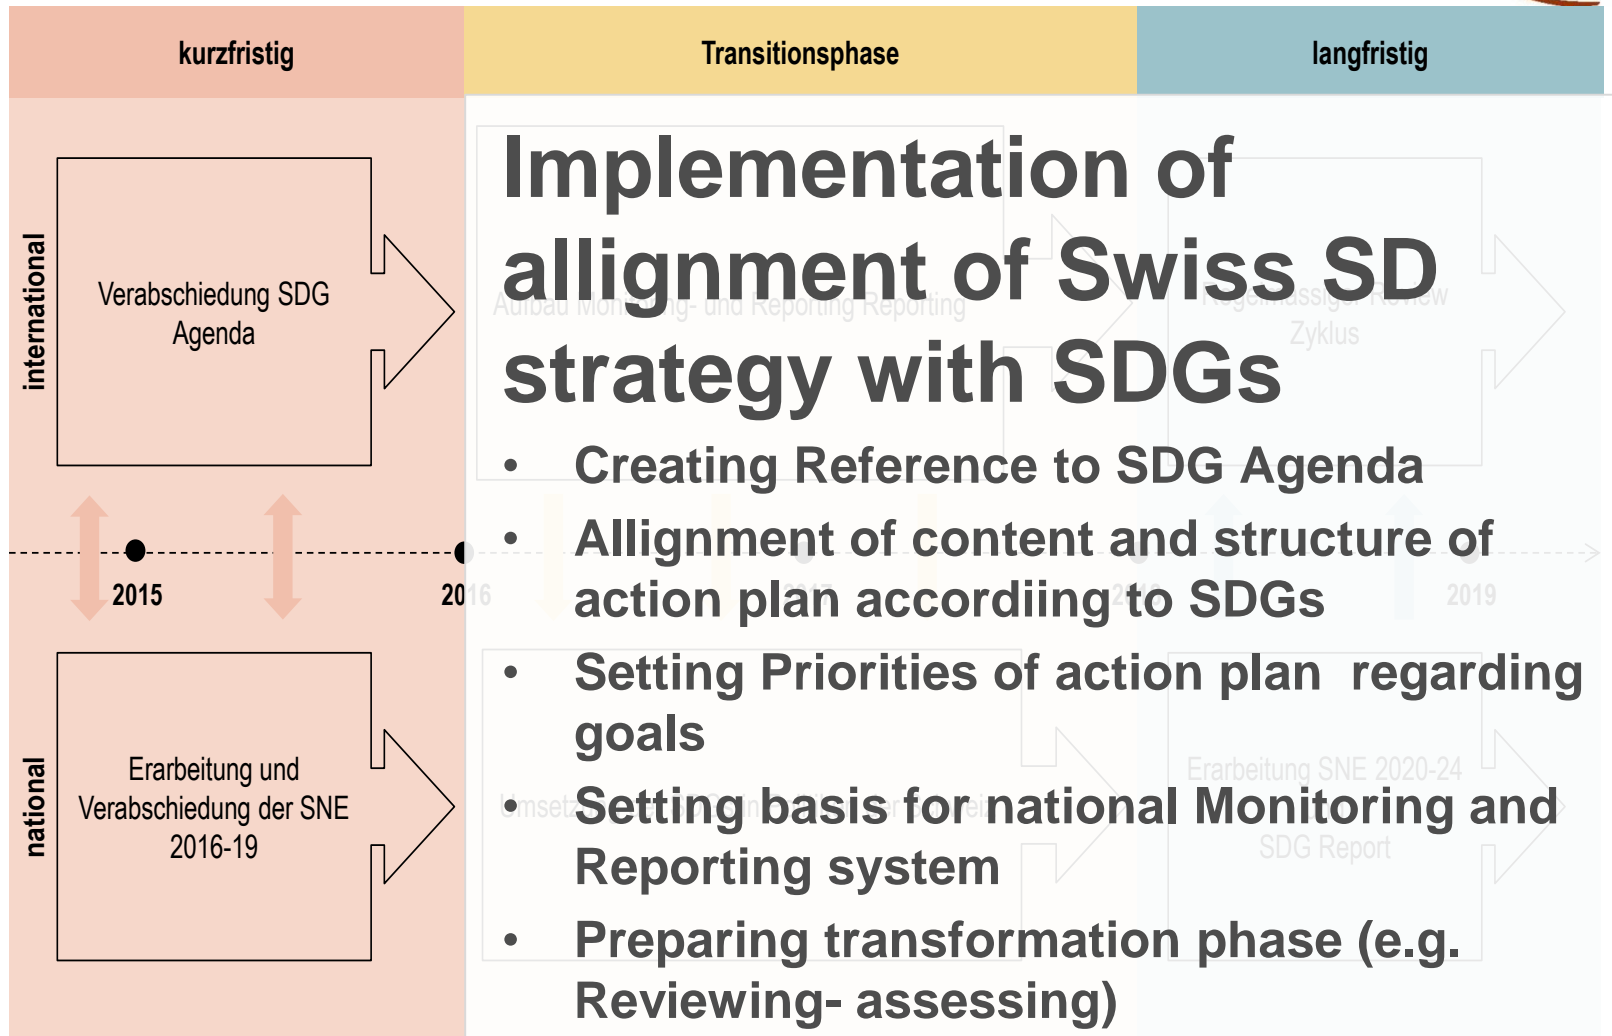

The Basic principles for the alignment of Switzerland's SD strategy to DGs.

- ***Implementation:*** The new time frame of the SDGs have to be included in Switzerland's national and international strategies, programmes and policies.
- ***Coordination:*** To ensure successful implementation, there is need for an overall institutional office in charge of coordination of SDG policies and for alignment of Swiss SD strategy with international SD processes.
